

FISCAL NOTE

SB 3061 - HB 3125

March 1, 2000

SUMMARY OF BILL: Authorizes the use of funds from the *Used Oil Collection Fund* to provide grants to assist counties in locating, collecting and appropriately disposing of waste tires.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact - Makes grants from the Used Oil Collection Fund available to local governments for an additional purpose. Current fund balance is approximately \$4,000,000.

Estimate assumes that to the extent grants are issued under the provisions of this act, the funds will come from existing revenues already available to local governments to facilitate used oil collection and that this act simply authorizes such existing revenues to be used for an additional purpose.
